

Professional Development Training

Energy Conservation Awareness

Patterson Park Public Charter School
Thursday, January 26 1:00 pm - 2:00 pm

As an Energy Hub, PPPCS will be leading the efforts of Baltimore City to lower energy usage. Please join the Baltimore Energy Challenge this Thursday for an interactive and hands-on training. The two hours will include a “how to” on low-cost/no-cost energy saving actions, an introduction to the grant PPPCS has been awarded, sample energy conservation awareness lesson plans, prizes and snacks.

Bring your **BGE account number** to the training to receive a Baltimore Energy Challenge pin and free energy savers kit!

For questions and information contact the Baltimore Energy Challenge at schools@baltimoreenergychallenge.org
